Commissioner for Patents

The request to correct the inventorship of this nonprovisional application under 37 CFR 1.48(a) is deficient because:

An oath or declaration by each actual inventor or inventors listing the entire inventive entity has not been submitted. The declarations filed 02 Augst 2004 with the request only listed the inventor signing the declaration rater than a complete listing of allinventors so as to clearly indicate what each inventor believes to be the appropriate inventive entity.

Note attached Examiner's Amendment to the specification to provide a Breif Description of Figures 10 and 11.
